UCI traffic directors and event attendants will direct you to the appropriate parking location.
Congratulations to the 58th graduating class of the University of California, Irvine! UCI Transportation is proud to support the graduates and their guests at the pinnacle of their collegiate careers. We understand the importance of Commencement, which is why we are committed to making traveling to and from the Commencement ceremonies a positive experience. To do this, we facilitate traffic patterns and coordinate parking locations to better accommodate the tens of thousands of graduates and guests who visit UCI during the four days of Commencement. Parking and roadways will be heavily impacted these days, so we ask that you choose to commute sustainably by carpooling to Commencement if possible. Use this guide to ensure that your travel to and from UCI’s 58th Commencement is as smooth as possible.

**PARKING FOR COMMENCEMENT**

For Commencement, parking on the UCI campus is complimentary and no permits are required. Plenty of parking is available with less than a 10-minute walk to the Bren Events Center. Avoid parking in disabled, service, or “X” stalls without the proper permit. Inside this travel guide, you will find a map of recommended parking areas by ceremony and walking routes to the Bren Events Center. As with any large event, traffic congestion is expected, so guests should plan to arrive 90 minutes before the start of the ceremony. As you enter campus, our dedicated traffic directors and UCI event attendants will guide you to the best available parking.

**Avoid the traffic! Arrive 90 minutes before your ceremony.**

**CARPOLLING**

Please encourage your family and guests to ride together to the Bren Events Center. If you would like to join fellow Anteaters in a carpool, use the Waze Carpool app. This on-demand carpool matching service, unlike ride-hailing services, is dedicated to eliminating excessive vehicle use and reducing trips on the road. The Waze Carpool app is available for Android and iOS and can be used to find carpool matches for drivers and riders alike. We recommend the use of face coverings while carpooling.

**DISABLED PARKING**

There is no need to make advance arrangements with UCI Transportation for disabled parking or mobility assistance. Please display the placard upon arrival as this will assist our staff in directing you to the nearest designated parking area.

**Mobility Assistance**

Once parked, please notify a UCI Transportation staff member if you need assistance to the Bren Events Center. Our cart drivers will shuttle you to the Bren Events Center turnout. This service is limited to the disabled/mobility impaired and one family member.
